1.1 Disclaimer

Prices & Offers

The prices on our website come from an automated system. Although this system is automated, errors can occur here. In the case of an error, the party here as soon as possible to be informed. The other party gets the product then offered for the right price. The other party may choose not to accept the new pricing. The order is then cancelled.

Prices as they are listed on the site are in euros and excluding VAT. Prices exclude shipping and any applicable taxes and / or other taxes which are imposed by the government.

An offer and / or quotation of service does not bind it, and serves only as an invitation to place an order.

Provider reserves the right to change its prices and tariffs.

Images & Specifications

All images, drawings, colours etc. are only approximations. Deviations from reality may not cause damages and / or dissolution.

In collaboration with third party specifications established. Great care is devoted to providing timely and accurate information. Provider can not be held responsible for incorrect or outdated information or any (type) errors.

1.2 Privacy

Personal

Provider shall, when placing an order, your name, address, zip code, address, phone number and email address in its database. This data must then be filled in once when you create an account on the website.

Provider will treat your data confidentially and will not be released to others.

If there is evidence that party want to change, add or remove then this party by mail, fax or e-mail provider to sign.

Traffic

Traffic data is anonymous, for example, how many times a specific page on our website is visited, what browsers visitors use and the times at which people visit us. These data are in no way connected to the personal data. This information is confidential
